Re: *Doe v. County of Westchester, et al., 22-cv-06950 (PMH)*

Dear Judge Halpern:

We represent the defendant White Plains Department of Public Safety (hereinafter, “White Plains”). We join in the County Defendants’ request to extend the time to respond to the complaint. Plaintiffs have not responded to our request for consent.

We are requesting this extension as we have just recently been retained to represent White Plains in this matter. At present, White Plains’ response to the complaint is due on November 7, 2022. In addition, there is a pending motion to proceed pseudonymously before this Court. Depending on the outcome, our firm may need to run an updated search for conflicts. White Plains is therefore requesting that our time to respond to the complaint be extended to either: (i) 20 days after a decision on the pseudonym motion if the motion is granted, or (ii) 20 days after Plaintiff files an amended caption if the motion is denied. White Plains has not made any previous requests for extensions of time to respond to the complaint in this case.

Hon. Philip M. Halpern, U.S.D.J.

Respectfully yours,
